WORLD SERVICE FUND TOGETHER OUR REACH IS BEYOND MEASURE

WHY DO WE GIVE TO APPORTIONED FUNDS?

Apportionments form the framework for our individual and congregational participation in mission and ministry beyond the local church. When you donate to your local church, a portion of what you give supports apportionments. Your gift will help change lives both locally and around the world. For stories about how you make a difference, visit [UMC.org/WSF](https://www.UMC.org/WSF).

HOW DO YOUR GIFTS SUPPORT WORLD SERVICE FUND?

The World Service Fund cornerstone for the funding of the connectional system. It supplies the basic financial support to general agencies to provide essential services and ministries beyond the scope of individual local congregations and annual conferences through services and ministries that are highly focused, flexible, and capable of rapid response. At any given time, this fund is helping build churches, providing communications tools for local churches, advocating for the underserved and marginalized, educating constituents about racial equity, supporting missionaries, supporting spiritual formation, sustaining men and youth ministries and so much more. Your gifts make this ministry possible.
